**STATEMENT OF SUBSTANCE OF INTERVIEW**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

September 16, 2005

Sir:

On September 8, 2005, a telephone interview was conducted between  
Frederick D. Bailey, counsel to Applicant, and Examiner Abrishamkar.

Applicant's separate statement of substance of interview follows:

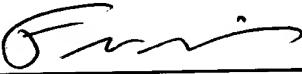

Mr. Bailey inquired about the Advisory Action that was issued on the case, stating that there was no new matter present in the claims that would require further consideration and search. The Examiner stated that the addition of the requirement "an apparatus set between a client and a server" causes the claims to be different in scope than the previous claims rejected and therefore maintains the Advisory Action which was mailed.
